

Physician - Endocrinology

Unity Health System in Rochester, New York is seeking an exceptional endocrinologist to join our rapidly growing organization.

QUALIFICATIONS:

Board certified/eligible in Internal Medicine
Fellowship trained
Eligible for NYS medical license

About the position:

- Includes dynamic outpatient practice and inpatient consults for a variety of endocrinology referrals.
- Ready base of patient referrals exists.
- Integrated ADA recognized diabetes and nutrition education program (including six outpatient CDEs and one inpatient CDE).
- Includes latest diabetes technology (download capability for insulin pumps, glucose sensors and meters, etc.)
- Responsible for endocrine rotation of Internal Medicine residency program.
- High quality inpatient care at Unity Hospital includes state-of-the-art facilities and excellent clinical support in a suburban setting.
- Beautiful area in which to live with low cost of living, excellent schools, tremendous selection of cultural activities, outdoor sports and entertainment.

Compensation:

- This employed position offers a highly competitive salary and generous benefits package. Salary is inclusive of a starting guaranteed base salary and a productivity-based incentive plan.
- Additional financial support is available for physician relocation.

About us:

Unity Hospital, a not-for-profit community hospital, is an affiliate of Unity Health System, a 681-bed health care network serving the city of Rochester, NY and western Monroe County. Specialty units of the 208-bed acute care hospital include its intensive care unit, surgery, joint replacement center, obstetrics, brain injury rehabilitation, psychiatry and behavioral health. Unity Hospital is accredited by The Joint Commission and is a major teaching affiliate of the University of Rochester School of Medicine and Dentistry.
