

Vascular Surgeon Rochester, New York

Unity Health System is seeking 2 vascular surgeons to join our well established 4-physician vascular surgery group. Opportunity exists to succeed the current Chief of Vascular Surgery upon his proposed retirement within 18 months.

Qualifications:

- Board certified/Board eligible in vascular surgery.
- NYS Medical License (current/eligible).
- Endovascular experience preferred.
- Cardiovascular/thoracic surgeons with fellowship training in vascular surgery are strongly encouraged to apply.

About the position:

- Dedicated endovascular unit in the Unity Hospital's OR is being upgraded.
- EVAR is performed in the OR endo-suite and other major endovascular procedures are performed in the OR endovascular suite.
- Angiograms, angioplasty & stents within the radiology endo-suite by vascular surgeons.
- Vascular surgeons at Unity perform angiograms, angioplasties and stents in the angioplasty suite. This includes carotid stents and all other vascular stents.

This is an excellent opportunity to join a successful and progressive practice. Each physician in the practice is Board Certified in vascular surgery. In 1992, this practice became the first in the Rochester community to use endovascular procedures. Since 2006, an EVAR training course is offered 4 times a year by Unity Hospital and is taught by the Chief of Vascular Surgery.

This employed position offers a highly competitive salary and generous benefits package. Salary is inclusive of a starting guaranteed base salary and a productivity-based incentive plan.
