

## Dear Colleagues Patients and Healthcare Customers,

I am pleased to welcome you to the newly redesigned Unity Health System Physician and Service Directory.

The directory includes a complete list of all Unity Hospital affiliated Medical Staff members. The search functions of the directory allow you to find a physician by specialty, town, zip code, physician status; Unity physician, active and courtesy.

The directory can be used to find physicians for particular types of referrals or consultations, and provides access to important information on our ever expanding list of primary care physicians.

Perhaps most importantly the Directory is continuously updated in order to provide you with the most accurate information on all of our doctors and services.

We are proud of the extent and quality of the services we provide at Unity and believe they reflect well on our goal to deliver "How health care should be".

Sincerely,

Joseph Salipante, M.D., FCAP  
Vice President, Medical Affairs
